VIZELLO®

SILKEN BABY CALF

The New Zealand Luxury Group is proud to introduce our natural VIZELLO® silken baby calf rugs. Each piece is designed by nature, and hand-crafted by our artisans.

Only the very best hides meet the VIZELLO® grade, and are selected for finishing in our workshop, or as we like to call it, our 'salon'.

Our team of expert craftsmen iron, condition and comb the calf hair, all by hand, to produce a silky-soft finish. Finally the rugs are trimmed and styled, ready for your home.

Talk to us to find out more.

COLORS:

We offer your choice of black and white, natural colours, and have the capability to custom dye on request.

SIZE: Approximately 7-9sf and 100cm x 80cm.

THICKNESS: Approximately 1.4mm

Each piece is natural so expect every hide to be a little different in size and colour.

SELECTIONS:

Our calf hides are available in two selections.

A (Rug Selection), ready for the home.

B (Accessory Selection), pieces with small faults, suitable for cutting into furniture, accessories, and footwear.

We are also able to offer a limited quantity of large natural cow hide rugs.
